Healthcare of Ontario Pension Plan Enrolment / Waiver Form

The Healthcare of Ontario Pension Plan (HOOPP) is a private trust fund operating on a not-for-profit basis, set up for the sole purpose of administering and providing defined benefit (DB) pensions for more than 435,000 health-care workers in Ontario.

The amount you contribute is based on how much you earn and the Plan's contribution rates. The current rates are 6.9% up to the year's maximum pensionable earnings (YMPE) and 9.2% above the YMPE. These rates have been in place since 2004.

To learn more about the features of the pension plan and the benefits of joining, please visit HOOPP's website or review the HOOPP Handbook.

Regular Full-time Employees

Employee Signature:

Date (mm/dd/yyyy):

Participation in HOOPP is <u>mandatory</u> and a condition of employment for regular full-time hourly employees. Regular full-time hourly employees must enrol in HOOPP immediately upon date of hire or transfer to full-time status. No action is required; you will be automatically enrolled.

Part-time, Casual and Contract Employees

Participation in HOOPP is <u>optional</u> for part-time, casual and contract hourly employees. If you do not choose to enrol immediately, you may choose to join HOOPP on any subsequent date. If you choose to join HOOPP, you must continue to make contributions on your pensionable earnings as long as you are employed at Sinai Health. You may only choose to stop making contributions at an employer where you work part-time if you later become a full-time employee at another HOOPP employer.

Enrolment/Waiver Form for Part-time, Casual and Contract Employees Only

I have been advised that I am eligible to enrol in the Healthcare of Ontario Pension Plan as a part-time, casual or contract employee of Sinai Health. I confirm that:
I would like to enrol in HOOPP as of my start date.
I have read the information in my new employee package and I am declining to enrol in HOOPP at this time.
I will not be making contributions to the plan, nor will my employer do so on my behalf. I will not be entitled to a pension or any other benefits from the plan with respect to my employment with this employer. I have the right to cancel this waiver and enrol at any time on a go forward basis (not retroactive) by providing my employer with written notification of my intention to enrol; this waiver will no longer be effective, and I will be required to join the Plan if I become a full-time employee with my employer.

Tips for Completing Tax Forms

New employees must complete the TD1 and TD1ON forms when they are hired, and are not required to complete them again unless there is a change which may reasonably be expected to result in a change to their personal tax credits. When a change occurs, new forms must be completed and submitted to the HR Department.

Everyone is entitled to the Basic Personal Amount listed in Line 1 of each form, but there may be other exemptions to which you are entitled. Read each line carefully and complete those that apply to you. Once all applicable sections have been completed, add up all lines to populate your Total Claim Amount.

If you require tax advice, please speak to a Professional Accountant or Tax Specialist.

Total income is less than the total claim amount

This indicates that total income for the year will be less than total claim amount on the TD1 form. Tax will not be deducted from earnings; if it turns out that you earn more than your personal tax credits, when you file your tax return you will have some tax owing.

More than one employer or payer at the same time

This indicates that an employee has more than one employer, and is already claiming personal tax credit amounts on another TD1 form with another employer. Personal tax credit claims can only be claimed once, so the box "More than one employer or payer at the same time" on the back of the TD1 form for the second employer should be ticked, and "0" should be entered as "Total Claim Amount" on page 1 of the TD1. This will result in taxes being deducted from all earnings, without taking any personal tax credit amounts into account (as they have already been claimed elsewhere).

Note: If someone has multiple employers but the total income from all employers and payers will be less than the total claim amount on the TD1, do not tick the "More than one employer" box. Instead, tick the "Total income less than total claim amount" box, so that taxes will not be deducted from earnings. Both boxes should not be selected at the same time.

Additional taxes

On the back of the TD1 form, there is a section called "Additional tax to be deducted." This is where you can specify a flat amount of additional taxes to be deducted from your pay deposit each biweekly pay period. If you have income from other sources, this can help reduce the amount owing when you file your tax return.

When to update tax forms

Employees should submit new tax forms when a change in circumstances may result in a change to their personal tax credits. Examples include a change in marital status, a dependent becoming disabled, getting a second job, or earning significantly more than before (based on an increase in salary or hours worked).
